

Dear Kalamazoo Christian Schools Supporter:

January 2017

The planning has begun for the “Our KIDS Auction” on **Saturday, March 25, 2017** at the Fetzer Center on the campus of Western Michigan University. Please join us in partnering with our community in providing a fun evening for families and supporters. Although you may have contributed to Kalamazoo Christian Schools in the past, we hope that you will consider contributing to this mission. All proceeds will go towards non-tuition expenses at our three schools, as well as student financial assistance.

Please consider supporting our silent and live auctions through donations of cash, gift certificates or gift cards, merchandise or services with a minimum value of \$25. Businesses and individuals can be recognized in the auction program with a description of the item, company/donor name and website address. You may be recognized anonymously as a Friend of KCSA. The auction programs will be published online prior to the auction on www.kcsa.org. We anticipate 1,000 people in the community will view the program. We also encourage auction attendees to patronize the supporting businesses.

There are three great ways to get involved:

1. Donate physical auction items or a description with photos of the destination, item or service
2. Purchase a full-page or half-page color ad in the program
3. Make a cash donation through one of three levels of sponsorship:
Gold Donor: \$500 or more - will receive eight reserved table tickets to the auction, 8 K Christian coffee mugs, mention in the auction book and recognition during the live auction.
Purple Donor: \$250 or more - will receive six reserved table tickets to the auction, mention in the auction book and recognition during the live auction.
White Donor: \$175 or more - will receive four reserved table tickets to the auction and mention in the auction book.

The 2015 auction raised more than \$60,000. Our goal for this auction is \$70,000. Because of your generous support, the students of the Kalamazoo Christian Schools can be enriched with skills and training which are reflected throughout their lives in God’s Kingdom work. We are grateful for your participation to assist in positively impacting future generations.

Please **FILL OUT COMPLETELY** and return the donation form to any school office by **February 8, 2017**. If you have any questions, please email one of the auction co-chairs at the emails below.
